

Enviro-Safe™ Professional Injector Instructions

PLEASE USE CAUTION!!!

For Qualified Professional Use Only!

When injecting product into a pressurized system ALWAYS wear safety glasses and gloves!

Never breathe refrigerant vapors!

Injection Instruction:

A. Purge air from hose

It is important to eliminate any air in the hose before injecting any of Enviro-Safe's Professional Products into the A/C system.

1. Unscrew the cap and fill injector with desired amount of product.
2. Connect the Drip Free control valve.

B. Injection

1. Make sure the entire A/C system is shut off! (Engine, A/C, etc)
2. Connect injector to low side service port of A/C system.
3. Start engine and turn on the A/C system.
4. Hold body of injector while turning handle of injector clockwise to inject the product. (See chart below for product amounts)
5. Disconnect injector from system.
6. Allow the A/C system to run a minimum of 20 minutes. The Enviro-Safe ProDry, ProSeal, Stop Leak, and Dye charge will not give you maximum performance if not allowed to run for at least this period of time.

Dye – ¼ oz (7.5 ml) for systems up to 4 lbs.

Stop Leak – 1 oz (30 ml) for systems up to 4 lbs.

ProDry – ¼ oz (7.5 ml) for systems up to 4 lbs.

ProSeal – ¼ oz (7.5 ml) for systems up to 4 lbs.

*More ProSeal may be needed depending on the number or size of the leaks. For larger systems, please contact Enviro-Safe's Tech Line for consultation on amounts. 888-913-1110 or 309-346-1110.

C. Cleaning Instructions

1. Upon completion of filling, use a quality brake cleaner spray to clean the cylinder part of the injector tool. NEVER clean with a shop towel (etc) as this could contaminate the system.
2. DO NOT attempt to clean the hose of the injector tool as it may contaminate or damage to hose and connections.
3. **DO NOT USE CARBURETOR CLEANER it will damage injector tool.**
4. Allow the tool to air dry for 5 minutes before switching to a new product.

Please note ALL of Enviro-Safe's products are compatible with each other!

**THANK YOU FOR CHOOSING ANOTHER OF ENVIRO-SAFE'S FINE
SUPPORT PRODUCTS!**
